1. Please be aware that I do not currently participate in any insurance plans. Checks, Zelle, and credit cards are accepted. For those with a credit card on file, billing is done on the 1st of every month for charges incurred the preceding month. A receipt will be provided to you with all the information necessary to submit to your insurance company for reimbursement if you have out-of-network benefits.
2. Fee per 45 minute session is \$425 (Adult) or \$450 (Child). In select cases, for adults only, medication management sessions for 30 min/\$400 are available.
3. The initial evaluation is an extended session and billed accordingly.
4. There is no charge for cancellations up to 48 hours before an appointment. After that point, a session charge is incurred.
